

Unit 2 Study Guide

American Revolution

Directions: Use your book, notes, readings, and any other classroom materials to find definitions or explanations to the following terms and questions. **DO NOT GOOGLE** these terms to find answers, as it will yield an array of information that may not reflect what you will be asked. Some of the terms are general, so you will need to discern need-to-know info and write **complete** notes. Not **ALL** of these terms represent questions on the test, but they do represent the things you will need to know to be successful.

Timeline of significant events leading to the revolution (include taxes levied by the British)

1763	• End of the French & Indian War - removed French and Spanish presence and created British debt leading to the crown taxing the colonists.
